

Advocating for Play – Advocacy Toolkit

PlayBoard are delighted to launch its latest resource - a Play Advocacy Toolkit entitled 'Advocating for Play' which is aimed at supporting the sector to explore, plan and deliver the play advocacy message. It has been designed specifically for those with an interest and desire to advocate for children and young people and can be used by a diverse range of advocates.

A series of regional seminars are now being offered where participants will be introduced to the toolkit, hear from the Assembly Community Outreach Team and hopefully have the opportunity to speak to Political representatives about localised children and young peoples issues.

You are invited to attend one of the following information seminars where you will receive a **FREE** copy of the Advocacy Toolkit:

- Friday 9th September Short Strand Community Forum, Belfast 10 until 12
- Friday 16th September Blackie River Centre, Belfast 10 until 12

- Friday 23rd September Strathroy Community Centre, Omagh 10 until 12
