

# Handprint bird

Watch our latest #PlayAtHome video at [www.youtube.com/user/PlayBoardNI](https://www.youtube.com/user/PlayBoardNI) where Olivia shows you how to make a little bird using your handprint.

It's really easy and you'll find lots more handprint arts and crafts for kids at <https://bit.ly/2XWiiaS>

**Creative play** - children explore and try out new ideas and use their imagination (with a little symbolic play).
