

Cloud spotting

- Lie on the ground and enjoy watching the clouds float past
- What can you see in the clouds? A face, an animal, a shape ...
- Make up your own cloud names depending on the shapes you see
- Learn the real cloud names with help from the Met Office at <https://bit.ly/3gNzarC>
- Draw or paint what you see
- Relax and let your imagination take over!

Don't forget your sunscreen and sunglasses.
